

CENTRAL PARK

BAR & RESTAURANT

Central Park first opened its doors opposite Albert Park on Linthorpe Road in Middlesbrough in December 1985, and we are still arguably one of the North East's busiest and favourite restaurants over 30 years later!

In 2008, a major remodelling and renovation project saw us double the size of the restaurant allowing additional dining space, a sophisticated and spacious bar area, a new state of the art kitchen and an upstairs function room and roof terrace dining area which offers views over Albert Park and the Dorman Museum.

Central Park now has a modern, stylish and contemporary look, but we have retained all of our original charm and exemplary levels of service, and still attract high praise from our customers.

Whether you're celebrating your birthday, having a night out with friends or just grabbing a quick bite to eat with your loved ones, you can choose from our wide selection of beers, wines, one of our freshly made cocktails or simply choose a refreshing soft drink.

Whatever the time or occasion, we have exactly the right drink for you to relax and enjoy your experience with us here at Central Park.
