
TO ALL OUR FRIENDS OF CENTRAL PARK

23th MARCH 2020

Dear Customers and friends of Central Park Middlesbrough,

Following the government update we have gone from a busy Restaurant to then a very busy take away service. We would like to take this moment to thank all our customers for making this possible as we succeeded all expectations during this time!

However, after careful consideration the health and wellbeing of our staff and guests has always been our top priority and we must follow the guidance of the government to play our part in the prevention of the spread of COVID-19.

We would like to thank you all for your kind messages and ongoing support during these challenging times!

Our admin staff will continue to work as normal and help all our guests who have upcoming reservations or events booked with us. If you have any enquiries you can contact our team by email info@cafecentralpark.com or call us on 01642 820586.

Personally, I would like to take this opportunity to thank our wonderful team, we are extremely proud of everything we have achieved since we opened our doors 38 years ago and I know we will come back from this together stronger.

We will be working hard over the coming weeks to improve all aspects of Central Park for all our guests to enjoy in the not too distant future. We look forward to welcoming you all back to Central Park soon. UTB!
